EARL K. HAWKESWORTH

Announcement was made this week that Earl K. Hawkesworth, B.A., B.D., B.Ed., has been awarded the degree of Master of Education by the University of British Columbia. Mr. Hawkesworth is Superintendent of Schools for the County of Vulcan No. 2.

Appraisal Institute Seminar Held

Farm assessment methods in comparison with land appraisal methods was the subject of discussion at the annual seminar of the Canadian Appraisal Institute, Calgary Chapter, held in Calgary Nov. 1 and 2.

Rudy Kotkas of Barons, assessor for the County of Vulcan, was one of the many speakers at the two-day meeting. Other speakers were the chief assessor for the City of Edmonton, the Commissioner of Assessments for the Province of Alberta, and representatives of the Department of Municipal Affairs.

Services Held Wednesday For Robert Middleton

A well known farmer of the Vulcan district, Robert Blain (Bob) Middleton died suddenly on Monday, Nov. 5, 1962, following a brief illness. He was 54 years of age.

Born in Nanton, he came to the Vulcan district in 1913 and had resided here since then. He was a member of the Vulcan Lodge No. 121, B.P.O. Elks.

Besides his wife, Irma, he is survived by one daughter, Mrs. Lorne (Monna) Gillette; three sons: Jack of Champion, Barry of Kirkcaldy and Blain of Vulcan; two sisters, Mrs. Nellie McLean, Nanton, and Mrs. Olive Chapman, Calgary; and 18 grandchildren.

Services were held at the Vulcan United Church at 2:00 p.m. on Wednesday, Nov. 7, with interment following in the Vulcan cemetery. Pall bearers were Bruce McKay, Evan Munro, Howard Spaeth, Russell Robble and Harry Roebuck, all of Vulcan, and Joe Tompette of Rockyford.

The Vulcan Funeral Home was in charge of arrangements.

Nine Swimmers Pass Course

Nine Vulcan swimmers were successful this year in passing the stiff tests in swimming and life saving to qualify for Bronze Medallion and membership in the Royal Life Saving Society.

They are Shirley Markert, Patsy Giles, Ina Haverty, Sally Giles, Mrs. Romona Pickersgill, Eugene Carruthers, David Clark, Douglas Scott and Allan Hubbard.

Most of this group were present at the regular Lions Club meeting last Thursday evening when their awards were presented by Richard Hammer, chairman of the Lions Memorial Swimming Pool committee.

Women's Assoc. Hears Reports

At the October meeting of the United Church Women's Association reports were given of the year's work now nearing completion.

Miss Carol Graves, who attended the Christian Education classes at Naramata this summer gave a talk on the highlights of the work done this summer at the centre in B.C.

Mrs. Oldfield, convener of friendship and visiting, requested the members to notify her or members of her group if they knew of any illness or distress or persons in need.

Mrs. F. Hess reported receiving confirmation that the shipment of used clothing for the east had been received in Vancouver. Members voted to pay the shipping expenses on this shipment to its destination.

Mrs. W. A. Shields said that members of the community had been very generous in providing accommodation needed for the visiting Hi-C groups and thanked the W.A. for providing lunches and dinners.

It was reported that John Hyslop has donated a book rack in which the study books will be kept.

The sum of \$100 was voted to assist Glen Park of Narama, who is completing his last year at college before his ordination next spring.

New members welcomed to the W.A. were Miss Sharon McLeod, Mrs. Ken Gatenby, Mrs. Severtson, Mrs. Moore and Mrs. L. Persol. Donations are urged to be in at the next meeting on Nov. 14, which will be the last meeting before January.

A few of the weird collection of witches, jailbirds, spies, bunny rabbits and other night "monsters" which roamed the streets last Wednesday during Halloween are pictured above as they were received at a local home. Although the weather was the mildest in several such recent Halloweens and the

blocks, parents surveying the evening of handouts felt the crowd was down somewhat from last year. In 1961, homes in strategic locations (where you get caught coming and going) put through over 200 young mortals, whereas children lined the residential this year there were leftovers in

the odd home. One of the most humorous aspects of the night was the way many little tots, dressed beyond recognition, made sure they were identified by calling out: "You know me, I'm Sally Brown, I live across the street." Hallowe'eners came from such points as Nanton and Barons.

Keystone Class Elects Officers

The November meeting of the Keystone Class was held at the home of Janet and Mildred Ware. Nineteen members and three visitors were present. Roll call was answered by recalling a former minister of the church.

A film was shown by Mr. Pelham on the value of using greeting cards in missionary work. The work of preparing these cards is being carried on in Calgary by Miss Chrissie Goode and her volunteer helpers. A donation of \$10.00 was sent to Frank Rempel for mission work in India and \$5.00 was sent to the Kulpahar Children's Home.

Mrs. Hazel Smith took the chair while 1963 officers were elected as follows: President, Miss Janet Ware; vice-president, Mrs. Hazel Smith; 2nd vice-president, Mrs. Angie Wismer; secretary, Mrs. Joyce Pelham; assistant to secretary, Mrs. Muriel Smith; treasurer, Mrs. Althea Cotton; card secretary, Mrs. Kathryn Wiersma.

Devotional for the afternoon was brought by Mrs. Kathryn Wiersma. The Christmas meeting on Dec. 6, will be held at the home of Mrs. Muriel Smith.

Mrs. Mae Gordon Dies, California

A former resident of this area, Mrs. Mae Gordon died at South Gate, Calif., on Oct. 26, 1962. She was the widow of the late W. L. Gordon and was also predeceased by her son, Merle Gordon, of Oakland, Calif.

Surviving are two daughters, Esther Fisher of Bell, Calif., and Velma Love of South Gate, with whom Mrs. Gordon had made her home the past two years. There are nine grandchildren and 16 great-grandchildren.

Funeral service was held Oct. 24, and interment was in Rose Hill Memorial Park, Calif.

F & G Hold Rifle Shoot

Vulcan and District Fish and Game riflemen took advantage of the beautiful fall weather to stage their second rifle shoot on Saturday, Oct. 24.

The rush to catch the weather left little time to promote the affair and resulted in fewer entries than were expected. However, the afternoon was filled with action on two ranges, one for 22 rifles and the other for heavier calibre weapons.

The deep coulee north of the Carl Steiner farm provided an ideal location for the shoot with the heavy rifle range set up at 150 yards across the bottom with the

marksmen firing into the hillside. A small phone system was used from the rifles to the targets where score keepers were protected behind a bluff. The list of winners in the big rifle competition is not available but in the 22 calibre events the winners were: Steve Dixon (2 events), Brian Smith (2), Richard McNiven (2), Ron Brinton (3).

Shower Honors October Bride

A miscellaneous shower honoring Mrs. Lionel Vedres (nee Sherry Haydamack) was held on Oct. 30, in the Ladies Auxiliary room of the Legion Hall.

On entering the room Sherry was seated at a table, prettily decorated with flowers and pink and white streamers. She was presented with a carnation corsage. Before the presentation of the gifts a half-hour or so was spent with suitable contests. An autograph book was passed around in which each one present wrote advice to the bride, a household hint, a recipe, etc., and signed their name.

The presentation of the gifts was made by Mrs. Donna Deal. Assisting in the gift opening was Mrs. Ruth Olson of Lethbridge and Mrs. Donna Deal.

Sherry thanked the ladies for their gift and presence and invited them to visit her and her husband in Lethbridge.

Lunch was served to close an enjoyable evening.

Starts At 2:00 p.m.

non-denominational Remembrance Service. Other members of the local clergy will also take part.

Junior Hockey To Re-organize For '62 Season

Hockey is due to come bouncing back into the winter picture in Vulcan next week. Weather-wise it appears the skate and stick end of the game is far off but a lot of previous organization is needed and will begin at a general meeting to be held next Wednesday night at 8:00 p.m., in the Legion Hall.

The Vulcan and District Junior Hockey Association is particularly anxious to have a good attendance of adults at this meeting because, if last year is any indication, there'll be more hockey players ready to go this winter than coaches and managers to lead them. Through the efforts of Bud Johnson, no longer in town, and others, junior hockey flourished last year and with a better-than-average season for the natural ice a great deal of interest was generated. Many initial expenses are now behind the association and a good year is anticipated.

Receives Degree Of B.Ed.

A native of the Vulcan district and for six years, a member of the Vulcan County teaching staff, Mrs. Robert DeWitt (nee Anne Oldfield) will graduate with a Bachelor of Education Degree at the fall Convocation of the University of Alberta, Calgary, on Saturday, Nov. 10.

She is the daughter of Mrs. Lynn Oldfield of Calgary and of the late Mr. Oldfield, well known old-timer of the Berrywater and Milo districts. After attending school in Vulcan and Milo, Mrs. DeWitt completed her high school at High River and at Mount Royal College, Calgary, later attending the University of Alberta. She taught

Six new firemen have been added to the force during the summer. They are Len Lawson, Cal Lebsack, Tom Wiley, Jerry Anderson, Bill Warren and Rudy Lever. They replace Jim Craig, Fred Standing and Von Ostergaard, the latter two having left town, and bring the strength of the crew up to 23 men.

On the rural fire protection scene, notice was recently sent out to members of the Vulcan Rural Fire Protection Co-op that this year's levy is set at two dollars. The fire truck and loan thereto has been paid off and each member has a share valued at \$45.

school at Milo, Vulcan and Arrowwood.

Last year she and her husband moved to Calgary, and she is at present teaching English in the Bowness Junior-Senior High School.

Speaker Discusses "Common Market" At Lions Club

Well known farm director of a Calgary television station, Reuben Hamm was guest speaker at the regular Lions Club meeting in Vulcan last Thursday.

Mr. Hamm's topic was "The European Common Market" and he based his remarks and opinions on observation made during a recent six-weeks visit to Europe. The six countries now comprising the "Common Market" in continental Europe have a terrific consumer potential in their total population of 165 million. Their goal is the gradual reduction of tariff walls between their countries until tariffs are non-existent and there is free trade between all the six countries.

In Mr. Hamm's opinion, Britain must be able to sell to this market to survive as Britain's economy depends upon the importing of raw materials and the exporting of manufactured goods. Britain's entry into the European Common Market is a matter of necessity rather than choice, he concluded.

The doors of the newly built Lomond Community Centre opened Saturday, Oct. 20, to its first function when an open Gymkhana Show was held before a large attending crowd.

The Community Centre project was one undertaken by the Lomond Lions Club who served refreshments during the show.

Participating in the Gymkhana were entries from the Lake McGregor, Cluny and Arrowwood clubs and the results follow.

For purposes of briefing in the following results the name of the clubs will be identified by initials: C—Cluny; A—Arrowwood; L.M.—Lake McGregor.

Lomond Pioneer Laid To Rest

A pioneer resident of the Lomond district, Mrs. Emma Clara Williams died at High River on Nov. 3, 1962, at the age of 91.

Born at LaPorte, Iowa, Aug. 14, 1871, she came to the Lomond district in 1908 and had resided there since. She was predeceased by her husband, Dennis, in 1959.

Surviving are one daughter, Mrs. Dolly Benson, Calgary, and one son, Verne, Lomond; eight grandchildren, 28 great-grandchildren and 10 great-great-grandchildren.

Services were held in the Vulcan United Church on Tuesday, Nov. 6, with Rev. Peter Dawson and Rev. D. A. Sharpe officiating. Pall bearers were H. Caulfield, Leonard Benson, Lloyd Benson, Wayne Benson, Glen Sealock and Clifford Schlaht. Interment was in the Archmount Cemetery, Lethbridge.

The Vulcan Funeral Home was in charge of arrangements.

Break-In At Milo Garage

C. L. Beckner of Milo was victim of a successful break-in attempt last Friday night when thieves entered his garage and lifted some cash and several items.

Entrance apparently was made by removing a piece of aluminum from the oil house, breaking the lock from the door leading into the garage, then through another door into the office.

Red Cross Clothing, Bedding To Africa

The work of Red Cross branches in towns and cities across the country goes on through the years largely unheralded and taken for granted. So it is with the Vulcan branch where results of the local Red Cross campaign have shown about \$1400 collected.

Another continuing project of the local organization is the sewing of blankets and clothing to be sent to provincial headquarters for shipment across the world.

In the above photo taken in the work room at the Legion Hall almost surrounded by the fourth shipment of clothing and blankets to go from Vulcan this year, is Mrs. C. L. Kuykendall and Vulcan branch president Mrs. A. Fitzpatrick.

patrick.

During the year over 500 such articles have been sent, and almost every one has been turned out by the busy hands of Mrs. Kuykendall who turned to this type of work exclusively as her contribution years ago when it was no longer possible for her to give blood as a donor.

The remnants which go into the making of the comforters is largely supplied by the Red Cross for Mrs. Kuykendall but any such bits of left-over materials which ladies might have would be welcomed as they can be included in a pattern without any waste.

What is needed now is more help in this line and any ladies with time to spare, and interested in this work would be most welcome.

The Vulcan Branch of the Red Cross was organized in 1949 and one purpose was to make possible Red Cross swimming instruction at the local swimming pool. Mrs. Vera Mitchell was first president, followed by Mrs. Fitzpatrick. Among many faithful workers with the local branch have been Mrs. E. Hill, Mrs. A. Saxby, Mrs. D. C. Roa, Mrs. G. C. Collier, Mrs. E. King and Mrs. R. Fulton.

The First Million

The first million is always the hardest to make. After that money comes easily. Or so we're told.

Most millionaires made their money in an earlier era. The tax structure today is such that the only agency able to amass a million dollars from nothing is the government. It collects that kind of money every day. But then the government needs many millions to spoon-feed the populace with baby-bonus cheques and social security.

The individual, beginning a business career with a fixed objective of making a million bucks is behind the eight-ball. If he climbs into a high income bracket where his goal may appear possible, he finds that the government will take 75% or more of what he earns in taxes.

It's impossible to accumulate a million dollars that way. An Irish Sweepstake win or two can help, of course. That's tax-exempt.

But the government isn't thinking about the self-styled millionaire in ordering a royal commission to investigate the whole tax structure.

What is worrying government officials is the lower wage earner and the small businessman, and the effects of excessive taxation that destroys initiative.

It's amazing how much the government takes from the average Canadian in taxes. On an average it exceeds 25% of Canadian income to all three levels of government, according to results of a study made by the Canadian tax foundation.

The survey revealed that "almost 90 percent of Canadian tax-payers receive less than \$7,000 income per year."

After the tax bite, it's apparent that the average Canadian hasn't much money left to play with — let alone to save a million.

—Lacombe Globe.

Letters to the Editor

Arrowwood, Alta.
November 5, 1962

To the Editor of The Advocate,

Dear Sir:

Halloween came and went as usual and the young fry had fun to judge by soap on windows or black shoe polish on a newly painted garage.

But we wonder who had fun daubing a church building with eggs? Was it adults? What sort of adults? Was it children? What sort

of adults are they going to grow into?

Apart from the senseless waste of a valuable food, don't these people understand the implications of their act? It is not too many years since such an act would have been regarded as quite a serious crime and punished accordingly.

If it was children may we ask the parents to instruct them in the meaning of the words "sacrilege" and "desecration"? If it was adults may we suggest they inform themselves? Any minister or responsible member of a church congregation will be more than glad to explain these terms.

Yours truly,
Ellen M. (Mrs. A.L.) Ingraham

Construction of the highway through Claresholm attracted the usual number of "sidewalk superintendents" who are fascinated with the work of the large bu-

gies capable of moving 21 to 28 yards of dirt at a time. The picture taken from the Bank of Montreal corner looking south, shows only a small number of the

"superintendents" on the job. It also shows at the extreme left a bulldozer just about to give assistance to one of the buggies.

Alberta Junior Citizen Award Winner

LINDA HERON

Okotoks, Alberta

At a recent Downtown Kiwanis Club luncheon in Calgary, the guest speaker attracted special notice. She was only fourteen years old!

Unusual? Maybe, but Linda Heron of Okotoks is an unusual girl in many respects.

A popular student at the Okotoks school she won awards in Mathematics and Language and honorable mention in Literature and Science.

A poem she wrote won a place in the school year book and a story she submitted received high commendation.

Linda entered the 4-H Public Speaking contest for Southern Alberta where she won first prize over eleven other contestants, one of whom was a second-year University student.

A neighbor of Linda's, Mr. David Lewis, had a serious accident this spring. Public spirited Linda trimmed, sheared and took charge of his large flock of sheep. Later she showed them in the annual Sheep Show at the Calgary Exhibition and Stampede.

Before and after school each day Linda helped at home by milking seventeen cows. This past summer she helped to bale 200 acres of hay for her father and a neighbor.

We, and the editors of Alberta's weekly newspapers congratulate Linda on her well deserved Junior Citizen of the Year award

This is one of six announcements about the 1961-1962 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledge the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to Mr. C. A. Clark, Editor of the High River Times and to Mrs. S. S. Kopas of Okotoks who nominated Linda for the award.
